A is selling herbs.

At the market

Read, draw and colour the fruit and vegetables.

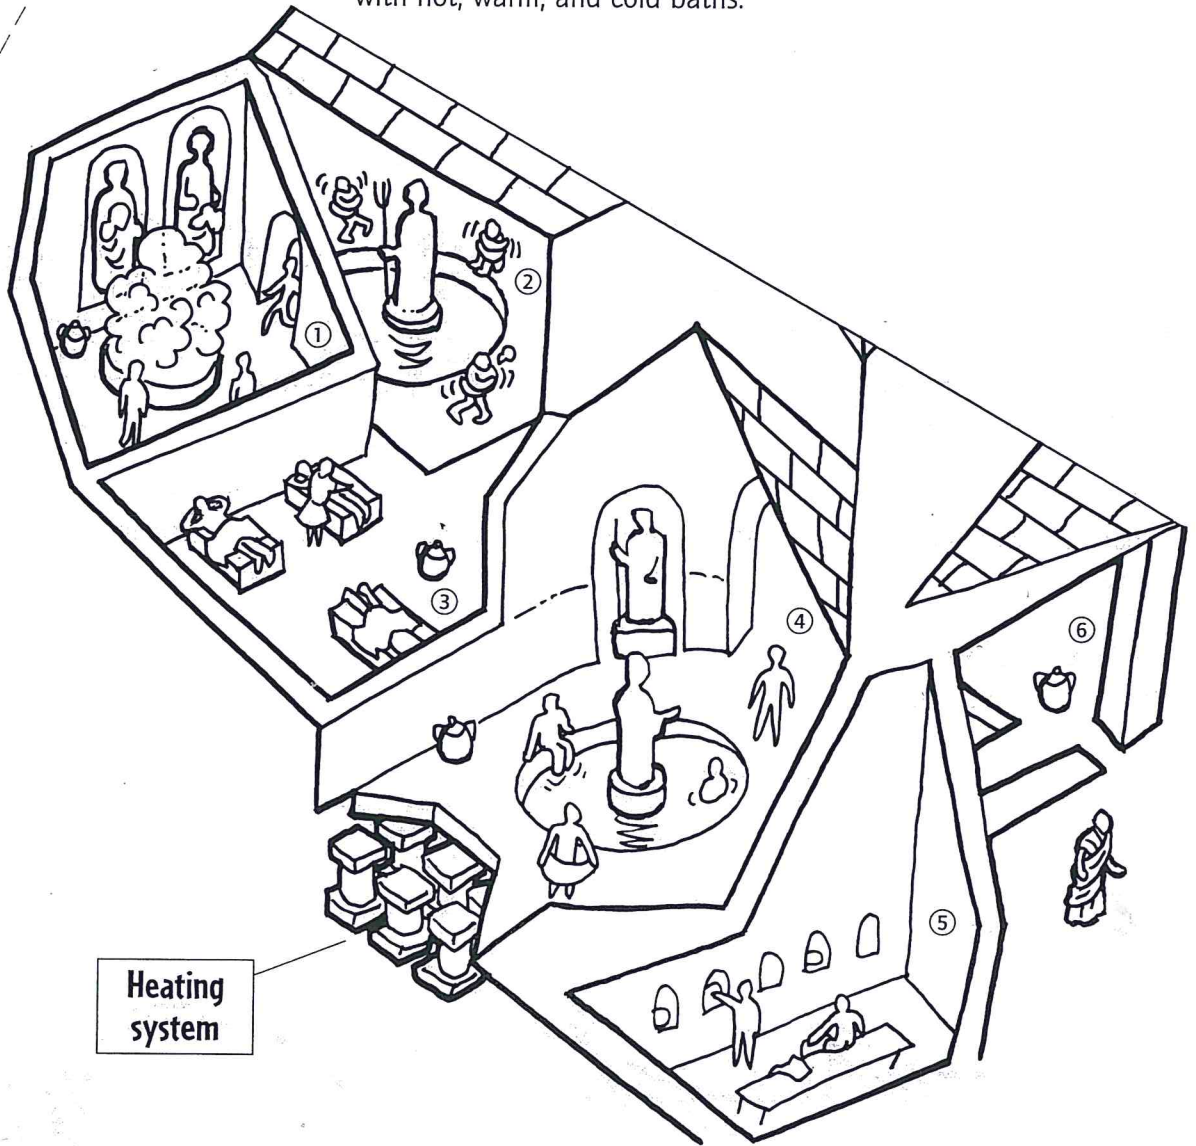

T-17 WORKSHEET

At the baths

Roman towns had public bath houses with hot, warm, and cold baths.

- The cold room was called the **Frigidarium**. Can you see where it is? Colour it blue.
- The hot room was called the **Caldarium**. Can you see where it is? Colour it red.
- Spot three Romans having a **massage** and colour them pink.
- How many **statues** can you see?
- Can you see a man wearing a **toga**? Colour him grey.
- The Romans used oil and hot soap to wash their bodies. Can you spot four **pots of oil**? Colour them yellow.

T-18

Mosaics

Rich Romans decorated floors with mosaic pictures using small pieces of coloured stones.

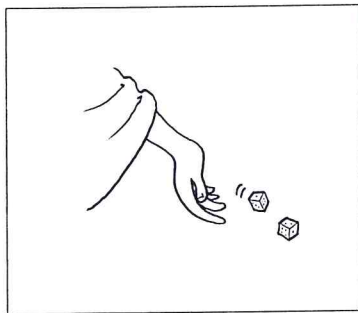

This mosaic, *Beware of the dog*, was buried in Pompeii when Mount Vesuvius erupted in A.D.79 and was discovered many centuries later.

Draw the outline of a picture (animal or flower).
Cut coloured paper in small pieces and glue them on the picture to make your mosaic.
