2025

Le docenti hanno deciso di aderire a un progetto incentrato sulle pause attive, visto l'importanza del movimento e di tali momenti per favorire la concentrazione e l'attenzione.

I bambini delle sezioni si sono scambiati le loro pause attive preferite e hanno potuto impararne di nuove.

Attività:

- “Let’s get to know each other” (presentazione della sezione).
 - “Favorite activity” (invio del video della canzone preferita, con i relativi movimenti).
 - “Easter activity” (invio del video di una canzone pasquale)
 - “One music, different activities” (ogni sezione ha scelto un brano da condividere con gli altri. Dopo aver ascoltato tutte le canzoni, i bambini votano e la canzone più votata, con i relativi movimenti, sarà eseguita da tutti).
 - Guardiamo i materiali inviati dagli amici lontani... E impariamo nuove pause attive (ad esempio “Diena-naktis”).

Let's get to know each other

The children of the “sixth” section

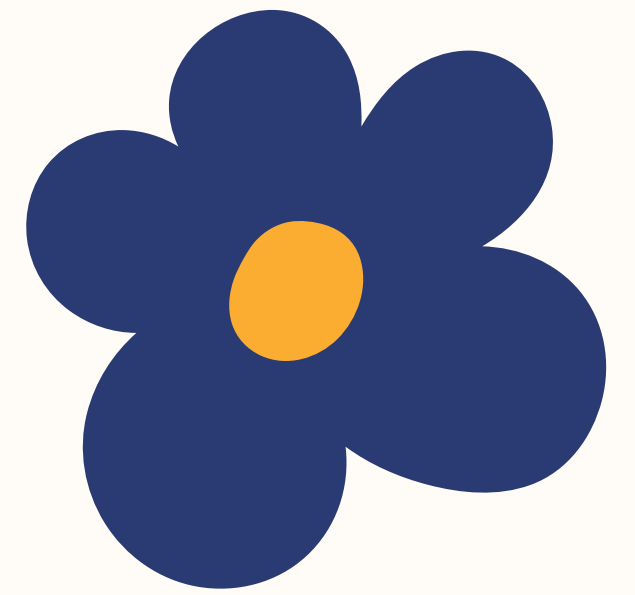

The section is made up of 23 children, who are 3-4 years old. Not all children speak and understand Italian, but play and movement are universal elements that unite beyond language. Children love to play motor games and dance, also to regain concentration after certain activities.

Favorite activity

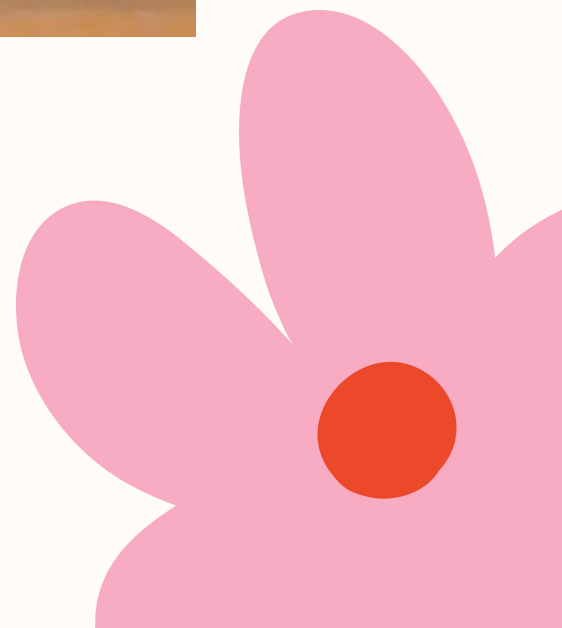

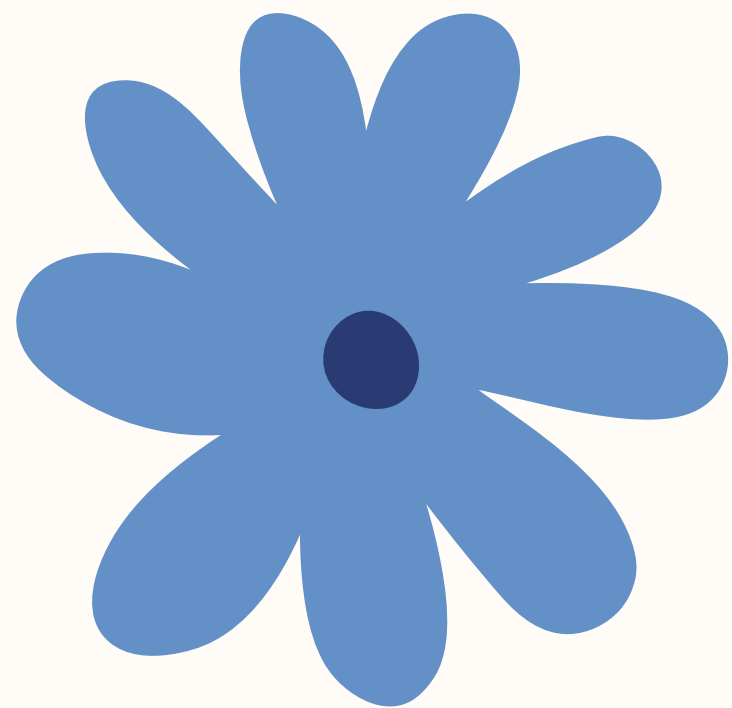

Our favorite activity is “Five Little Monkeys Jumping on the Bed”: the children dance while listening to the song or the teacher sings the song, adapting it to the educational objectives.

Easter activity

Bunny Hop -
Danza prescolare J'Adore Dance

One Music Different Activities.
